2017 Ladies 9 Hole League Guidelines

Policies

- > League fees are \$76.00/person, due by THE FIRST NIGHT OF LEAGUE PLAY
- > There will be NO substitute scores counted for an absentee golfer. You may have a substitute use your paid greens fee if you want, but that score cannot be entered for you. We have 18 weeks of golf, and the lowest 2 point* weeks for each player will be thrown out. So, if you miss a night of league, it would count as one of your low point weeks and be thrown out.
- > If you need to golf at a different time to make-up a league night, you can ONLY golf on either the Monday or earlier on the Tuesday of the week YOU WILL MISS. You must golf with another league player. You are **NOT** eligible for event prizes if you golf at a different time. SCORECARDS MUST BE SUBMITTED IN ONE OF THE FOLLOWING WAYS, NO LATER THAN WEDNESDAY OF THE MADE-UP WEEK.
 1. Turn your DATED, LEGIBLE (including both your FIRST and LAST NAME) scorecard into the Pro Shop and let them know it is for the Tuesday Night Ladies League.
 2. EMAIL me (<mailto:ldabrowski.golf@gmail.com>) the scores, HOLE by HOLE, and then leave the scorecard on the scoring table the week after your made-up week. Again make sure to include the DATE, and it is LEGIBLE. Also, include both your FIRST and LAST NAME.
- > League is on Tuesdays starting May 9th and ending September 5th*
(* with no rain-outs).

- > Make your own tee times. Each day of play there will be sign-up sheets for future tee times in the Pub. Please try to fill in 4-somes, and do not move anyone's name on the sheet without her permission. Be respectful of the other ladies, and do not tee off before your scheduled tee time unless all ladies at that tee time are present.
- > If you need to cancel or reschedule please call the pro-shop. 262-392-6320
- > Be punctual - A member who is habitually late will be suspended from the league.
- > The last group out needs to collect any event cards on the course and leaves them in the Pub.
- > NO 5-some groups are allowed! This really slows down play for the ladies that follow. Split into a 3-some and a 2-some.
- > Rain outs- The Pro Shop determines a rainout. Please call them if in doubt. There are no rain checks issued. We have extra week(s) as part of the greens fees to use if necessary.
- > If the golf course has scheduled an outing that overlaps into our tee times, we will notify you, by email and leave a note by the sign-up sheet.

Scoring

- > This is a flighted league based on handicaps. The number of people in each flight will be determined by the number of people joining the league.
- > All scoring is based on your league handicap. Your beginning handicap is your current or last year handicap. As the league scores are entered for each week, handicaps are updated. ** (Periodically, handicap changes could possibly move you to a different flight.)
- > If you do NOT have a previous handicap, you must establish one. You will be put on D flight sheet, with an * (denoting No Handicap established yet), until you establish a handicap. Four 9 hole scores will establish your handicap.
- > *Points are awarded for your net score each week, within your flight. The lowest net score in a flight receives the highest number of points...down to the highest net score that week getting the lowest number of points.
- > At the end of the season banquet in Sept., prizes will be awarded to 1- 5 places from each flight. First place goes to each person in a flight with the most points, second the next highest number of points and so on.
- > In addition, event prizes can be won each week. The majority of the events will be by flight. ** (There may be some exceptions.) The previous weekly event winners will be posted periodically. **IMPORTANT! BEFORE YOU BEGIN PLAY FOR A NIGHT, YOU MUST FIRST GO INTO THE PUB AND CHECK FOR THAT EVENING'S EVENT. SOME EVENTS REQUIRE YOU TO "GUESS" AT YOUR SCORE OR PUTTS etc., AND THOSE GUESSES MUST BE MADE PRIOR TO YOU STARTING YOUR ROUND!**
The event prizes are also distributed at the end of season banquet.
- > **NEW:** Until you have established a handicap and are placed in a flight, you are **NOT** eligible to win any weekly event prizes.

Rules of play

- > Other than the exceptions listed below, the play is stroke play in accordance with the rules of the U.S.G.A. Please familiarize yourself with these rules.
- > Play ready golf. See, Pace of play, below.
- > Play your ball as it lies, except if the ball comes to rest in a divot in the fairway. You may remove the ball without penalty, but no closer to the hole. If your ball lies in casual water, on cart paths, or ground under repair, you may, without penalty, pick up the ball and drop it 2 club lengths from the area, but no closer to the hole.
- > You must putt out every hole. There are no gimmies.
- > No slow play - if your score has reached **10 strokes** on a hole, and you notice there are groups backing up behind you, pick up your ball and move on.

Pace of play:

> **Be on time on the first tee.** If you're late on the first tee this causes everyone behind you to have to wait.

> **Play ready golf.** Think about the club selection for the next shot while you're on your way to it.

> **If you're riding in a cart,** drop off one person at their ball and the other person can go to theirs. You can pick up your cart partner after both have hit their ball.

> **Lost ball** doesn't require everyone in the group to look for it. One person can hit their ball while the others are looking. Then that person can help search while another person hits.

> **Don't park a motorized cart or your clubs in front of the green when putting.** Position your cart or clubs so you will be walking or riding away from the green towards the next tee.

In general, be aware of what is going on around you, on the golf course.

> **You should never be more than a half of hole behind the group in front of you.** Your group should be ready to tee off as soon as the group in front of you has hit their second shot. (Par 3s, as soon as the green clears)

It is also important to note, that anyone playing in a twosome or threesome, will be able to play a little faster than a foursome.

I suggest you slow down your pace so as not to play into, or rush, the group in front of you.

Walk or ride to your next shot a little slower. Take a few seconds longer to make the next club selection. It will help you to create a smoother pace of play. Rushing and then waiting on every hole is not fun.
